

# Renaissance Centre Partners Circle Sponsorship

## What We Do

The Wake Forest Renaissance Centre for the Arts is dedicated to enriching, engaging and educating the community through a variety of cultural arts programs. Through theater, film, concerts, workshops, educational programming and related events the Renaissance Centre offers art experiences that bridge cultures, generations and disciplines.

## Why Give

Contribute to the economic growth and quality of life in our region by encouraging a flourishing arts community.

Your gift provides the crucial financial support needed to enrich our community through culture, education and economic impact.

Civic engagement is at the heart of the Renaissance Centre's mission and the key to its successful future. In return for your generosity, you will enjoy exclusive benefits and privileges. Most of all, you will have the satisfaction of knowing that your contribution supports your community!

## How Funds Will Be Used

Contributions from generous individuals, corporations and foundations will directly support all Renaissance Centre's programs and special initiatives. They are at the core of our ability to sustain our mission—to make the cultural arts affordable and accessible to the public.

**Deadline:** March 31, 2025
